Press Release Summary: Search engine optimization company to increase Web presence for travel and expense report software products

Press Release Body: Dallas, Texas – Leading search engine marketing company **Zunch** (www.zunch.com), has recently been selected to provide extensive Internet marketing for **Cirtify.com**, a cutting-edge expense management company that offers easy expense report software to both individuals and corporations (www.cirtify.com).

*"Our marketing team is thrilled to maximize the potential of this company through the vital power of the Internet and more specifically search," **Zunch Chairman & CEO John G. Sanchez** said. "Cirtify.com offers incredibly valuable tools for companies and individuals who*

desire expense report software, especially for travel expense management."

*"We are very excited about how Zunch will help us spread the word about our services," said **Robert Neveu, President of Cirtify.com.** "The Internet marketing Zunch can provide is crucial to the success of our online expense report technology."*

ABOUT

CIRTIFY.COM

Cirtify.com is a leading online expense management company that provides expense report services to both corporations and individuals. It offers travel expense software and other expense report solutions on-demand and does not require any extra technological support or the installation of any other programs. Cirtify.com is the only expense management solution that allows clients to capture expense receipts via camera phone, SMS message, email, voice mail, scan, fax, or image upload, and the competitively priced subscription does not require a contract, making services flexible and easy to use. For more information, please visit <http://www.cirtify.com>.
