Press Release Summary: Tungsten Wedding Bands Get Unanimous Five Star Customer Approval

Press Release Body: (Modesto, CA) September 22, 2008 - [Titanium-Jewelry.com](#), a leading online retailer of [mens wedding bands](#), [tungsten rings](#), [titanium rings](#) and unique contemporary jewelry designs for men and women, today announced the unanimous five-star customer rating for Triton® tungsten wedding bands. The Triton ALTO and Triton WAVE rings, both top selling mens wedding bands at Titanium-Jewelry.com received across the board five star ratings and favorable reviews from customers nationwide.

Triton, a leading designer of contemporary mens jewelry, provides affordable and stylish rings that customers continue to rave about and recommend. The popular mens wedding bands designed by Triton are not only favored among shoppers for the quality, design and durability, but with the economic slowdown in recent months, many have opted for these more affordable options in **mens wedding bands**. In comparison to platinum and gold, tungsten wedding bands offer more economically viable solutions without compromising quality or design.

The Triton ALTO and WAVE **tungsten wedding bands** are constructed of the hardest metal alloy, featuring striking and timeless finishes. Both rings feature impressive 9mm widths, masculine look and feel and complemented by a comfort fit. On sale for \$259 and \$245 respectively, these mens wedding bands are among Titanium-Jewelry's top sellers.

"We are thrilled with the feedback we've received from customers on the Triton line of tungsten wedding bands," stated Ron Yates, founder of Titanium-Jewelry.com. "Many young couples are finding alternatives to high cost weddings and these wedding bands fit perfectly into the lifestyle of young grooms today," Yates concluded.

Titanium-Jewelry.com seeks to continually provide customers a variety of luxurious yet budget friendly jewelry designs, focusing on those brands that continue to exceed customer expectations.
