**Press Release Summary: IamDelhi.com is an Online Commercial and Industrial Yellow Pages Delhi, Trade Forum and Trade Blog for Delhites. It threads into 150+ Delhi Colonies online through its website where people living in these colonies will be offered a platform to showcase their product and services through Yellow Pages, Blogs, Forums and as well as share their views, ideas, issues and grievances etc.**

Press Release Body: **IamDelhi.com** is an Online Commercial and Industrial Yellow Pages Delhi, Trade Forum and Trade Blog for Delhites. It is a brain child of **Rajiv Kumar Chughan** entrepreneur, who was born and brought up in Delhi and founder of [Economicalhost.com](#) offering Web Hosting India services. As per him it is his dream project and firmly believes that it is going to succeed for the reason that Delhites will be able to identify themselves with this interactive website where they can share their issues, grievances or needs etc. It will be surely a great vent for many to voice their frustrations, issues, expectations and desires for a better society and living.

**IamDelhi.com** threads into 150+ Delhi Colonies online through its website where people living in these colonies will be offered a platform to showcase their product and services through Yellow Pages, Blogs, Forums and as well as share their views, ideas, issues and grievances etc. Few of the names are [AmarColony.in](#), [Badli.in](#), [AnandLok.in](#),

Bahadurgarh.in, [AshokVihar.in](http://AshokVihar.in), [BengaliMarket.in](http://BengaliMarket.in), [BhikajiCamaPlace.in](http://BhikajiCamaPlace.in), CRPark.in, [ChanakyaPuri.in](http://ChanakyaPuri.in), [ChiragDelhi.in](http://ChiragDelhi.in), [bhikajicamaplace.com](http://bhikajicamaplace.com) and in total more than 150 colonies, Market Place, Industrial areas and commercial places.

To make it more viable **IamDelhi.com** will also be offering free email ids also in the name of every colony like if one is living or doing business in Greaterkailash then he can have email id as yourname@greaterkailash.in plus as per the information gathered they are trying to connect all the major colleges of Delhi University by offering such email id as per their college like for example name@hansrajcollege.com, name@zakirhusaincollege.com etc.

Also in the offering are more than 50 Yellow Pages belonging to different places in India as per their location or as per the business category through **IamDelhi.com** and the plan is offer similar kind of services there too. Few of the names are [yellowpagesgujarat.com](http://yellowpagesgujarat.com), [chemicalsinindia.com](http://chemicalsinindia.com), [yellowpagesnoida.com](http://yellowpagesnoida.com), [yellowpagesgurgaon.in](http://yellowpagesgurgaon.in), [yellowpagesghaziabad.com](http://yellowpagesghaziabad.com), [okhla.in](http://okhla.in) etc.

The team at **IamDelhi.com** is working hard to bring this concept into shape with a belief that it has good prospects for growth. Hopefully Delhi will soon have a place where anyone can voice his issues and reach the top brasses of the country.
