[Pandora jewellery](#) was founded by Per and Winnie Enevoldsen in Copenhagen, Denmark. Starting out as a small jewellers shop, the couple travelled to Thailand to source their jewellery, and become so popular that they switched to wholesale supply and opened their own factory in Japan to maintain control over their designs. The designers Lone Frandsen and Lisbeth Larsen were hired and Pandora began focusing on creating the unique and fun range that is now sold all over the world and is this year's must have fashion accessory.
