Press Release Body: Milwaukee, WI December 23, 2008 – [Quest CE](#), the nationwide provider of continuing education for insurance professionals, announced the immediate release of their complete library of online Long Term Care Partnership training courses. The online courses enable producers to obtain their newly-mandated continuing education credits on the subject of long-term care and long-term care partnership programs.

Since the passage of the Deficit Reduction Act, most states have implemented a new long-term care partnership program. As part of the new programs, states require that all producers who sell, solicit, or negotiate long-term care insurance must complete training on this subject.

**Quest CE** offers courses designed to meet state-specific Long Term Care Training requirements. All of our courses are available online, complete with text, exam, and printable certificates where allowed by state. If you sell, or wish to sell long term care insurance, but unsure if you are affected by specific training requirements please visit our website ([www.questce.com](http://www.questce.com)) for further information.
