

Nearman and CastleGarde form alliance

Released on: January 6, 2009, 3:28 am

Press Release Author: CG Press

Industry: [Consumer Services](#)

Press Release Summary: Two firms providing professional services to the credit union industry are proud to announce an alliance. Nearman, Maynard, Vallez CPAs and CastleGarde, Inc. are using their unique talents to broaden the level of service to their clients.

The alliance of these two firms creates a working relationship that will enhance the services, support capabilities, and offerings of both firms to the direct benefit of their clients and the credit union industry.

Press Release Body: Two firms providing professional services to the credit union industry are proud to announce an alliance. **Nearman, Maynard, Vallez CPAs and CastleGarde, Inc.** are using their unique talents to broaden the level of service to their clients.

Nearman, Maynard, Vallez CPAs has provided auditing and consulting services exclusively to the credit union industry since 1979 and is listed in Callahan's "**2008 Guide to Credit Union CPA Auditors**" as one of the top four firms providing auditing services to credit unions with total assets greater than \$40 million.

CastleGarde is an acknowledged expert provider of credit union information security and regulatory compliance program services. **CastleGarde** specializes in both the policy and technology risk assessment aspects addressing the controls, access, management, and safeguarding of member information as defined by NCUA Reg. 748 Appendix A and B. **CastleGarde** provides information security policy and procedure reviews, external penetration testing, and onsite vulnerability assessments including physical security to measure your information security compliance and effectiveness.

The alliance of these two firms creates a working relationship that will enhance the services, support capabilities, and offerings of both firms to the direct benefit of their clients and the credit union industry.
