Press Release Body: SUNRISE PACKAGING IS ON IT'S WAY TO BECOMING THE LARGEST SUPPLIER OF INJECTION MOLDED PRODUCTS IN MIDWEST

Company Increases Stock Products to Better Meet Clients' Needs

Blaine, MN (January 27, 2009)—Local packaging company, **Sunrise Packaging**, now offers more stock products including premium quality, machine-loadable CD/DVD cases available at a low cost.

"Libraries and CD/DVD Replicators need injection molded cases," says **N. Okan Guney, Director of Marketing at Sunrise Packaging**. "They are looking for the all-around supplier that is dependable and offers a high quality product at a low price. Convenience is key. Bringing needs together into one shop makes life much easier for companies."

Sunrise Packaging's new stock products include a wide variety of premium grade injection molded cases. Some of these products include CD jewel cases, DVD cases, Blu-Ray cases, paper sleeves, and clamshells.

Sunrise's wide variety of products will allow them to become the biggest supplier of injection molded products in the Midwest.

By increasing the number of stock products, **Sunrise Packaging** can be that one-stop shop selling premium quality products at a low price.

Sunrise Packaging is a solutions-oriented, creative design packaging company. **Sunrise Packaging** has been manufacturing stock and custom vinyl, case made and poly binders, media packaging and custom packaging since 1982. **Sunrise Packaging** operates out of Blaine, MN.
