32Red Online Casino, the winner of the Best Casino Award since 2003, has made their award-winning casino service available in 11 different languages.

International players will now be able to access six new and different websites to learn about 32Red's [online casino games](#) and bonuses before downloading or playing instantly. Welcoming visitors that speak French, Japanese, Italian, German and Chinese, 32Red is committed to extending the same [Best Casino](#) winning service to them, including access to the 350 casino games, casino welcome and loyalty bonuses and a host of other benefits.

Pat Harrison, 32Red's operations director, said: "We are keen to expand our international profile and introduce players from around the world to the 32Red standard of casino entertainment. With tailored bonuses for our international audience, dealers and croupiers in 11 different languages and over 350 of the best casino games, 32Red offers something for every player no matter where they're from."

Six other languages are available to play in: Spanish, Russian, Greek, Swedish, Norwegian and Dutch. Each of these variations can be accessed by selecting the appropriate language from the 32Red English homepage. The casino will load instantly and be available to play immediately through 32Red's Flash casino technology.

Mark Quayle, head of marketing for 32Red Plc, said: "We understand that players' preferences differ. So we've customised our bonus

offering for each of the language websites so as not to compromise what makes people return to 32Red time and time again - good value welcome and loyalty bonuses."

32Red Online Casino also announced the upcoming launch for international and UK download players of four new casino games, including three new [online slots](#) and one casino table game. The online slots games are Centre Court, [Flight Zone](#), Monster Meteors and the casino table game is Hi Lo 13 European Blackjack.
