The Bamboo Pink Collection from Clinique is inspired by the wearable and subtly seductive hue Bamboo Pink, one of Clinique's best-selling lipstick shades. Featuring a range of classic, best-selling products together with several new, limited edition make up treats, The Bamboo Pink Collection is the must-have make up kit to get a glow this summer.

Exclusive from Clinique at Debenhams and online at [clinique.co.uk](http://clinique.co.uk), The Bamboo Pink Collection is being launched for summer 2009 and contains ten [summer make up](#) essentials. This includes; [Lipstick](#), an Allover Colour Face Powder Compact, Long-Last Glosswear SPF 15 [Lip Gloss](#), a Cabana Blush Quad, a Bamboo Pink Blush Brush, a Colour Surge Eye Shadow Quad, a Cream Shaper Eye Liner, a Quickliner

Lip Liner and a Naturally Glossy Mascara in Black.

The new look features a natural pink lip available in a choice of two best-selling lipstick formulas; Long Last or Butter Shine, complimented by Long Last Glosswear SPF15 and Quickliner for Lips to help lipstick stay put. The subtle lip is accentuated by beautiful warm browns and muted pinks on the eye with the Colour Surge Eye Shadow Quad and Cream Shaper for Eyes. An all-over, soft luminous glow for the face is created using the Fresh Bloom All-over Colour [Powder Compact](#) and a new, limited edition Cabana Blush Quad. To finish the look, Naturally Glossy Mascara in Black lengthens, glosses and enhances lashes ensuring they stay silky and flake-free.

Adding further dimension to this collection is the beautifully crafted 'bamboo' packaging featured on select items within the collection.
