More online progressive winners more often at Royal Vegas Online Casino

Showcasing, once again, the incredible nature of the progressive jackpot phenomenon at Royal Vegas [Online Casino](#), is the latest progressive jackpot winner, Canadian player, Scott G. Scott, who walked away with a staggering \$31,744 while playing the Cash Splash 5-reel [progressive slot](#) game on 17 July 2009.

The progressive jackpots at Royal Vegas Online Casino comprise of many exciting games to indulge in, which could lead to a huge jackpot wins of more than €1,043,033.29 in the Mega Moolah slot game. €322,860.00 is up for grabs in the King Cashalot slot game, as well as progressives in table games such as [Roulette](#) and Cyberstud Poker, of €65,300.00 and €165,565.50 respectively.

All [online casino gambling](#) enthusiasts are able to take part in the progressive craze and share in the excitement of jackpot winning glory. Royal Vegas Online Casino makes winning a reality, as Scott G has proven.

Continuously demonstrating why they are the leading online casino site, Royal Vegas Online Casino boasts an abundant array of [jackpot winners](#) that have all experienced the royal way of life, and walked away with substantial progressive jackpots. These online jackpot winners include Hans H, who claimed a \$38,083.52 progressive jackpot on the Mega Moolah 5-reel Drive slot game on the 27th May 2009. Another reason why Royal Vegas Online Casino endorses the Cash Splash 5-reel progressive slot game is that, like Scott G. fellow gambler, Luc L, won \$37,848.95 on this popular game on the 20th June.

Progressive jackpot games have always been a popular form of gambling, and through these incredible jackpots constantly being won, players can see for themselves what all the hype is about, and visit Royal Vegas Online Casino to experience all the excitement for themselves.
