Wagge, Roeseler and Whelchel all successful in June races at Lake Elsinore

MESA, Ariz., July 2009 – DragonFire Racing, a leader in custom performance racing vehicles, accessories and custom racing, is excited to announce that three of its drivers earned spots on the podium during the Lucas Oil Off Road Racing Series event in Lake Elsinore, Calif., on the weekend of June 26-28. Hans Waage, the current LOORS leader in the UTV points standings, took the podium in the 1st Limited UTV Event, along with Larry Roeseler, who found the podium on the 4th Unlimited UTV Event, and Jerry Whelchel, who excelled in the 3rd Unlimited 2 Event.

“This was one of the best race weekends we’ve had during the LOORS racing season,” said Todd Romano, owner, DragonFire Racing. “To have three of our experienced riders take the podium in Lake Elsinore is a testament to not only the quality of DragonFire Racing products, but also to the skill of our drivers and our crews. We look forward to surpassing this impressive weekend later this month at the next Lake Elsinore event.”

Based in the racing hotspot of Mesa, Ariz., DragonFire Racing carries a large selection of vehicles, parts and accessories, for every level of enthusiast, from the most seasoned racers to weekend warriors. Vehicles includes sand cars and pre-runners to a range of ATV's and Quads. DragonFire Racing also offers a range of parts covering everything from the engine to the wheels as well as a tie-down straps and winches. In addition, DragonFire Racing offers t-shirts and women's apparel.

With a 10,000 square foot corporate facility and newly opened retail facilities in Lake Havasu City, Ariz. and San Diego, DragonFire Racing has grown to be a reliable and preferred solution for outdoor racing enthusiasts.
