Industry: [Sports](#)

Ascent Adventure Consultants, Raleigh NC based professional rock climbing guide service and climbing school, designs classes and programs that give aspiring rock climbers the tools they need to accomplish their goals and learn how to rock climb outside.

August 17, 2009 - Apex NC -Ascent Adventure Consultants is a Raleigh North Carolina based professional rock climbing and ice climbing guide service and climbing school. They have designed [climbing classes](#) for beginner, intermediate, and advanced climbers, in order to teach people what they need to know to accomplish their climbing goals, and to provide them with the tools and experience necessary to do so. Rock climbing often seems like an untouchable sport to many people, and it is with that in mind that Ascent Adventure Consultants has designed their classes. They wish to make climbing accessible to all who have interest in the sport. Their beginner classes include free monthly skills demos, as well as "[Climb Outside](#)" climbing classes. Intermediate classes include classes such as "[Learn How to Trad Climb Weekend](#)". Advanced classes include classes such as "[Alpine Climbing Experience.](#)" They also offer [rock climbing guide training programs](#) for climbers who wish to be guides

"Taking this class taught me a lot and confirmed things I had already been in the process of learning. Even though I have much more to learn it allowed me to feel confident, to go with my partner, and climb outside at my current level." expresses Chris Troisi, a Climb Outside Class participant.

Ascent Adventure Consultants offers classes year round, along with a full schedule of climbing trips available to the public. To view their complete schedule of classes, visit their [Climbing Classes](http://www.ascentadventure.com/service/climbing-classes/scheduled-climbing-classes/) webpage (<http://www.ascentadventure.com/service/climbing-classes/scheduled-climbing-classes/>).

Ascent Adventure Consultants (www.ascentadventure.com) is a Raleigh, NC based professional rock and ice climbing guiding and instruction provider, as well as a corporate team building and leadership development program provider. Climbing courses and team building programs are conducted locally, nationally and internationally and are customized to every client's needs.
