Lasoo.com.au helps consumers search out the [best deals](#) on those 'must have' products to develop a shopping essentials list before hitting the stores for a day of retail therapy.

Using Lasoo means shoppers can make the most of their time by being armed with the knowledge of where to go in their local area to pick up the best bargains on what they want, making the whole [shopping](#) experience even more rewarding.

In 2009 the most searched products on [Lasoo](#) have included TVs, shoes, iPods and the Nintendo Wii. This shopping trend is set to continue as more and more people discover that by pre-shopping they can save money and time on buying those essential items, leaving plenty of time for fun - browsing and pure impulse purchases.

Picking up a [bargain](#) is always a cause for celebrations among friends, giving the savvy shopper ultimate bragging rights about their ability to hunt out a great deal. Whether looking for some winter essentials like a cute hat and scarf combo or some new trendy home accessories, Lasoo.com.au users are able to find the best prices on the latest sale items from Australia's top retailers. These retailers include: Dick Smith, Myer, Aldi, K Mart, Toys R Us, and many more.

Visitors to Lasoo can also create personalised wishlists and email alerts, which let them know when the items they have been dreaming about go on sale.

Pre-shopping at Lasoo.com.au is changing the [retail](#) experience, offering consumers a new quick and cost-effective way to approach their shopping and still try before they buy in-store.
