SilverDoor has expanded its website to reflect its ever growing portfolio which now includes 954 apartment buildings in 186 towns and cities around the world.

Chris Gee, sales director at SilverDoor said: "Business is booming at the moment. One of the benefits of operating globally is that there are always lots of new serviced apartment buildings opening. Given the shortage of supply of serviced apartments in general, one of the main keys to our expansion is the continued growth in supply of new serviced apartment buildings."

A recent addition is a selection of serviced apartments in [Milton Keynes](#). These apartments are situated within a ten minute walk of the main shopping centre and a good selection of bars, cafes and restaurants. Ideal as business accommodation, the mainline train station is a short walk away and has a direct service to London,

Birmingham, Liverpool and Manchester. Each modern furnished apartment includes a comfortable living area, a fully equipped kitchen and a luxury bathroom with a bath and a shower. Apartment features include a secure video entry system, free broadband internet access and a flat screen TV with Sky satellite channels. These serviced apartments and penthouses also enjoy

south facing balconies and complimentary parking is also provided for one car.

As well as Milton Keynes, SilverDoor has added some new [serviced apartments in Nottingham](#). Situated on the Ropewalk, these stylish and contemporary Nottingham serviced apartments are conveniently located near to the town centre. Residents have access to the popular shopping areas, renowned boutiques, designer stores and a great selection of bars, restaurants, cinemas and theatres. These modern apartments are well suited to those who require a short-term corporate rental as the business and commercial districts are within a ten minute walk. Each one and two bedroom apartment is beautifully furnished and includes a large living area and dining area, a modern kitchen with a complete range of appliances, master bedroom with king size beds and a separate bathroom.
