Gnome Frenzy is pleased to announce the addition of the Georgia Institute of Technology to its line of popular Garden Gnomes and sports-related products.

Dressed in gold and white and bearing the school's logo, the Georgia Tech Gnome is a must-have for any Yellow Jacket student, alumnus or fan. Stationed in your garden, office or dorm, this Gnome will leave no question as to its owner's favorite school.

At 11-1/4 inches tall, the GT Gnome is made of a durable resin and will bring joy to all who encounter it. The Georgia Tech Gnome has been added to Gnome Frenzy's collection based on popular demand. Released in Sept. 2009, it joins GnomeFrenzy.com's family of more than 60 other licensed university Gnomes.

"Our business is dedicated to providing unique ways for devoted sports fans to show off their pride and loyalty," said Andrew Nadler, co-founder of Forward Momentum LLC. Forward Momentum owns and operates sports-related Web sites GnomeFrenzy.com and UltimateSportsDecor.com.

Established in 2008, Grayslake, IL-based Gnome Frenzy was founded by passionate sports fans.
