idrive Monitoring Systems SRL a subsidiary of Solutions Group, Inc., (SOLU.PK) announces their new relationship with A-1 Limousine services and their first \$100,000 plus commitment to purchase of the idrive's X1 Video Event Recorder.

BUCHAREST, Romania, Oct. 15 -- idrive Monitoring Systems SRL, a subsidiary of Solutions Group Inc., (SOLU.PK) announced today that it has signed a memorandum of understanding with A-1 Limousine of Princeton, New Jersey. Under the agreement, A-1 will purchase 240 units of idrive's X1 Video Event Recorder and supporting hardware and software. The agreement calls for the sale to close in the fourth quarter and is valued at more than \$120,000.

"After recently announcing that it is moving forward with its first production run, idrive is now announcing its first sale. The sale for over \$120,000 is the first of many to come. At the TLPA (Taxicab, Limousine and Paratransit Association) show in Las Vegas, idrive was very successful in drawing attention to its products and is pursuing several other large sales to be announced soon," Stated Sean O'Neill, Solutions Group, CEO.

"We are very pleased to be partnering with such an established, well-managed fleet of this size," remarked Stefan Dragomir, president of idrive. "A-1 Limousine is an innovative industry leader, not only in New Jersey but throughout the United States. They are well-respected by their peers, have a wonderful client base of many Fortune 500 companies, and are renowned for their employee safety and training programs," Dragomir said, adding: "This is a big victory for us."

"After extensive review of the products on the market, idrive easily demonstrated they were the best camera, and they are affordable too! It is a great product and A-1 Limousine is excited to partner with idrive to further improve our excellent claims history and establish an enhanced driver behavior modification program along with increasing the efficiency of our operation," said Jeff Starr, president of A-1 Limousine.
