The Daisy Trading Company of York Maine announces that they have launched a new website design with easy online shopping for their collection of gifts, furniture, home and garden décor, clothing and accessories. Their website, located at <http://www.daisytrading.com>, features an e-commerce shopping cart with a full checkout system that accepts all major credit cards. It also features sale items and offers gift card purchases.

Daisy Trading offers many fun and interesting products with a unique, whimsical flair. Now you can purchase these items online easily and have them shipped directly to you. They also have many items that make great gifts for Christmas, birthdays, weddings, anniversaries, baby showers and many other occasions. You can find fun gifts for wine lovers, pet lovers, women, children and many unique and unusual gifts for the hard to buy for.

Their store includes home and garden décor, accessories and furniture with a Maine beach cottage style. They have a large selection of wall art and décor

including fun handpainted signs, signs with inspirational messages, picture frames with quotes and signs that can be personalized with your family name or name of your town.

They also offer unique and fun clothing and jewelry for women. Plus an adorable selection of kids and baby items and accessories including Pee-pee teepees, Littlemissmatched kids socks, and colorful Trumpette Ballerina and MaryJane socks.

Check out their Gifts and Giggles section for unique and fun gift ideas, books, games, toys, mugs, laptop skins and canteens from Curly Girl, bath and body products, pajamas, and more. Visit the For the Holidays section to find holiday related items that change with the seasons. Currently they feature for Christmas a new idea for a Christmas family tradition: the book "Elf on the Shelf". This cleverly rhymed children's book explains that Santa knows who is naughty and/or nice because he sends a scout elf to every home. Each comes with the storybook and it's very own scout elf, allowing for a delightful hide and seek game for your little ones.

You can also shop in their store located at 388 Route One in York, Maine, as well as their other stores in the York and Ogunquit, ME area: [The Lazy Daisy](#), [Daisy Janes](#), The Daisy Trading Company Gifts & Giggles, and Daisy on the Rocks.

The website was created by [Soul Oyster Web Studios](#) of Portsmouth, New Hampshire. Soul Oyster is owned and operated by Jennifer Marcelais, who specializes in designing and developing attractive, search engine optimized (SEO) websites for businesses that drive in traffic according to their local target market, helping to increase customer sales.
