SAFETYSHOP.COM has recently launched a competition to find a great new school safety sign from the very people who will see it, the school children of the UK!

The prize list for the winning design is very impressive including:

- The winning entry will have their safety sign produced and manufactured in Safetyshop's sign making facility
- £150 worth of Safetyshop vouchers
- Tour around Safetyshop's 34,000 square foot manufacturing facility
- Borders gift vouchers
- Art material gift bag
- Plus a mystery prize

The competition is to find [safety signs](#) that are aimed at school children (7 years to 16 years old) to raise awareness of the importance of health and safety practices. "At SafetyShop, we believe anyone who gets involved in health and safety practice is safer than those who don't."

"That is why we have launched a competition specifically for schools to design a safety sign which they can use on their premises". Entries are now being taken either in hand drawn or computer generated form and requires the pupil's name and age along with their teacher's name and school address and telephone or email address. (Full terms and details are included below)

Since launching its new line of School and Education safety supplies, Online Safety Equipment retailer SAFETYSHOP.COM have been able to provide vital health and safety measures to educational institutions up and down the country.

From [Fire Extinguishers](#) to [first aid kits](#) SafetyShop.com is able to cover any requirement that businesses and schools need legally to be fully health and safety law compliant. The wide ranges of products that schools and educational establishments could need are all covered on SafetyShop.com including vital winter weather and cleaning supplies.
