The UK's leading specialist sub-prime car dealer, ACF Car Finance Limited, is helping to spread festive cheer to its customers with the launch of the first ever car dealership Christmas tree giveaway.

Throughout December the used car specialist's branches are giving away a free Christmas tree to customers who drive away in one of the company's quality used cars. The first 15 customers from each branch can simply claim their free tree on the day of purchase when visiting one of the eight showrooms throughout the UK, including Leeds, Maidstone, Bristol and Manchester.

Jane Whittle, Marketing Manager at [ACF Car Finance](#), commented: "We're thrilled to be launching our Christmas tree giveaway. We don't believe this kind of giveaway has ever been done before by a car dealership and we're really excited to see how our customers react.

"The run-up to Christmas can be hectic and we wanted to put a smile on the face of our customers, ensuring that they have one less thing to worry about."

ACF Car Finance is a privately owned UK company which specialises in providing quality used cars and helping to arrange car finance. The company is the UK sub-prime market leader and stocks a wide range of quality used cars, most between two and four years old, all of which undergo a 136-point vehicle quality inspection and an independent M.O.T before sale.
