[Malibu, CA] - Affluent alcoholism victims typically seek the services of exclusive luxury alcohol rehabs. Unfortunately, that search is often impeded by a lack of reliable information about the alcohol rehab industry.

That's about to change.

LuxuryDrugRehab.com is pleased to announce a new referral service linking affluent addiction victims to the best treatment and recovery facilities on earth. The goal of LuxuryDrugRehab.com is to help those victims find the facility that's exactly right for them. To do that, the service provides clients with expert personal advice and a thorough understanding of the treatment options available to them.

Given the differences between and among alcohol rehabs, that sort of enlightenment can often make all the difference in the world.

[Alcohol rehabilitation](#) is a difficult process. To complete it successfully, patients need the best possible support along the way. The most effective alcohol rehabs are those which commit themselves most faithfully to meeting

every individual need of each of their individual clients. In the end, no inferior standard of care could ever be acceptable.

Unfortunately, those principles aren't always put into practice.

Every luxury alcohol rehab center looks good in its advertising brochure. But many facilities are far more concerned with appearance than reality. In fact, many of the most well-known alcohol rehabs in Los Angeles provide their clients with only a superficial veneer of luxury service. As should go without saying, these institutions routinely fall short of the promises they make to their patients.

Given the stakes in the fight against addiction, those sorts of failures can lead to disaster.

It's no secret that alcohol abuse is a devastating disease. What might not be so obvious, though, is that successful alcohol rehabs really can help to solve the problem. LuxuryDrugRehab.com has proven itself capable of helping clients select the best treatment facilities available to them. Under the circumstances, it's hard to imagine that any service could ever be more valuable than that one.

"I just want to say thank you," reads a client testimonial published on LuxuryDrugRehab.com's Web site. "You found me a rehab center where for the first time I was able to get the help I needed in a quiet, private space with constant attention. It was exactly the kind of space I needed to heal."
