www.partyaccessaxa.net | www.anguillaaccess.com announces contest

Partyaccessaxa.net, the site that embodies the culture of Anguilla the best, has announced a new contest seeking to identify hidden talent and potential that has not been able to find expression due to lack of opportunity. They call it the "Diamond in the Rough Contest" to metaphorically drive home the concept of picking up a rough diamond and giving it the required polish to make it shine.

The site is encouraging the people of Anguilla to nominate someone they feel best typifies this idea and accordingly rush their nominations to the site by submitting into the forum or by emailing the names and by posting the picture on Face Book.

The site will then provide the necessary guidance and assistance to enable that person reveal her hidden talent. This contest ends on the

22nd of Dec and the winner will be uncovered on the 26th of Dec 2009. The winner shall be rewarded by way of a total makeover of hair, clothing and skin besides a free night out.
