Author: **The Lombard Company, Inc.**

Industry: [Internet & Online](#)

BOWIE, MD – December 15, 2009 –Lovetropolis.com has been recognized as a finalist in five of eleven categories for the 2010 iDate Awards. Lovetropolis.com is a nominee competing for top honors as [Best Dating Site](#), **Best Dating Site** Design, Most Innovative Company, Best Marketing Campaign and Best Up and Coming [Dating Site](#).

Designed to honor companies representing the best and most inventive ideas in the online dating industry, the iDate Awards are being held as part of the annual [Internet Dating](#) Conference. Following the nomination process, which heavily weighed the opinions of **internet dating** executives, Lovetropolis.com came away as a finalist in five categories. "We are very proud to be recognized in a variety of categories," said Michael Lombard, CEO of Lovetropolis.com. "The nominations are a privilege and affirmation that Lovetropolis.com is on target to meet our objectives and market demand."

Lovetropolis.com is known for its approach to full service [online dating](#) designed to inform singles and encourage them to make better dating and relationship decisions. Relying on a hybrid platform that delivers a signature blend of dating and connectivity features via interactive technology, Lovetropolis.com modernizes **online dating** by providing elements intended to promote safe socialization, dynamic interaction and

lasting connections. The site is also a rich resource for information that will enhance the romance, dating and relationship skills of novice and practiced online daters alike.

According to a company spokesperson, "Lovetropolis.com's primary goals are to be progressive and to provide singles dating online with the best service, features and information available on the Web. I think the iDate nominations signify that our approach is appreciated in the industry and by our membership."

iDate award winners will be announced during a ceremony at the end of January.
