'Deck the halls' and grab a new wardrobe with all those party frocks to wear to all those oh so sophisticated Christmas soiree's that you will be attending

As the nights draw in earlier and the temperature drops, the expectation of snow heightens. Everyone is glamming up and getting in a festive mood. Adorning outfits with sneaky early presents to themselves, a new pair of shoes, or that cheeky dress that you know you won't be able to fit into after the over indulgence to be had at this time of year. Already knowing that one of the first new years resolutions you will be making is to drop that extra 3 lbs you put on during December. Diaries are brimmed to breaking point with work and evening engagements, not to mention the stress of rushing around shopping and organising whilst trying to be merry.

Many people neglect their skin at this busy time of the year, with all the stress and tiredness of rushing around in the cold and rain. As far as outward appearance goes, skin is the biggest indicator of how healthy and well we look. So come on girls lets get our skin in to tip top condition and treat our skin to an early Christmas present.

Loyal & satisfied customers
98% recommend Court House Clinics
to friends & family
Over 80% of our clients re book

It'll be so worth it, just think about it. All those women will have no gossip but good things to say about how fabulous you appear and how you always look like a Christmas angel!

The first point of call on this holiday mission should be Court House Clinics where there is a fantastic range of treatments to help your skin look magnificent from head to toe with chemical skin peels.

At Court House Clinics, [microdermabrasion](#) treatments are the ideal way to smooth and polish your way to perfection! Using diamond tipped wands (after all they are a girl's best friend) the skin is gently exfoliated to improve the appearance of lines and wrinkles, stimulating collagen production, to reduce acne scarring, sun damage and stretch marks on the body. Diamond Tome restores natural luminosity and is ideal as pick me up for tired and stressed skin.

Skin benefits add a plethora of plus points such as exfoliating and removing dead skin cells to promote the growth of healthy new ones. Many patients describe it as the ideal quick skin pick-me-up.

In addition to this Courthouse have developed an innovative range of treatments named PRIORI offering a versatile selection of light to medium peels designed to deliver instantaneous results, giving you a fresh glow perfect for that angelic look. Who knows with all those

lights around you may even develop your own halo if you've been super good this year.

Look great and glow with the help of Court House Clinics and have a merry Christmas with us this festive season. And who knows what will happen under the mistletoe. Girls so now you know how to get great looking skin did you know that Court House Clinics also has a pain-free [laser hair removal](#) treatment that leaves you fuzz free in about six treatments. So call now and let us help you become the goddess you know you want to be in half the time it would normally take.
