With its stunning, airy, glass super-structure, the new Toulouse airport facility Hall D is a masterpiece of modern, eco-friendly and dynamic engineering. The new Hall D is built for the twenty-first century. There are pleasing check-in areas, concise flight information displays, fuss-free shopping malls, automated and secure baggage handling, and easy access to the aircraft.

Such a fantastic new facility deserves only the best when it comes to an airport hotel for Toulouse .

For any business traveller, the quality and facilities of the world-acclaimed Radisson Hotel group are no secret, but for anyone else desiring a touch of class, is there any other place to match? When that hotel is conveniently located close to a busy international airport, the rewards for discerning high fliers and leisure seekers are a double bonus.

Designed by the renowned architect Alain Marcot, the Radisson Blu is the airport hotel of choice in Toulouse . The elegant, imposing hotel offers guests a choice of 200 guest rooms, 18 Junior suites, 6 Executive suites and 1 Presidential suite. All the rooms are designed with pure quality in mind; the décor, the amenities and the comfort offered are world class and second-to-none.

The Radisson Blu [Hotel in Toulouse has nine meeting rooms](#) and a ballroom for high-level business meetings and social gatherings. No one need be out of touch, whether for business or pleasure, with free high-speed Internet access in all rooms as well as in the hotel lobby and general public areas.

The superbly appointed and stylish [La Vie en Rose restaurant](#) offers top quality dishes to satisfy the most discerning guests. With an intriguing open plan design, diners can, as the hotel's own promotional material suggests, "...see how it can get behind the scenes" Before or after dinner, La Vie en Rose is the perfect place to unwind. Whether for an aperitif, a cocktail or a coffee, the comforts of the intimate bar area will soon drain away even the most stressed of feelings.

Perhaps one of the most striking features of the Radisson Blu Hotel is its extensive open area, the Patio, fondly appreciated by regular guests. It is very easy to while away the time peacefully in the exquisite surroundings of the Patio with its charming 'vineyard' décor. The planted vines encourage an atmosphere of tranquillity, where drinks and snacks are available at any time.

Life at the Radisson Blu, the pace-setting [airport hotel in Toulouse](#) , is not all about relaxing and recuperating; there are also plenty of facilities for the more active. Guests can work out in the wellness centre, enjoy the whirl pool, sweat it out in the sauna or bathe in the hammam baths.

The Radisson Blu Hotel, of all the [hotels in Toulouse](#) , fits the bill for every reason you might wish for: easy access day or night to the city, stylish rooms in abundance, superb dining, relaxing lounges and bar, and easy, safe parking. And, of course, easy access day or night to the superb new Hall D at Toulouse airport.
