Platinum Play Online Casino has just launched three more fantastic casino games to their collection.

Platinum Play Online Casino has announced three more thrilling games to their already sizzling collection this summer. May 2010 introduces video slots games that have jackpot opportunities reaching as high as 2 000 000 coins. The three new games are [Lady in Red Video Slot](#), [Queen of the Jungle Video Slot](#) and [Thunderstruck II Video Slot](#).

These games have been developed by Microgaming, the leading software developer on the Net, and therefore guarantee to provide games with cutting edge graphics and sounds as well as jackpots that are sure to thrill.

Players looking to step into the nostalgic world of the Thirties, where jazz clubs were the rage and ladies in red swooned to their audiences, need not go any further; the Lady in Red Video Slot brings this atmosphere to life while offering rewards that can reach as high as 375 000 coins. As always, Platinum Play Online Casino has added features that further increase players' chances of winning with Wilds, Scatters and Multipliers.

The Queen of the Jungle Video Slot entices players to take a walk on the wild side. This 5-reel 9 pay-line slot game surrounds players with jungle sounds and scenery as well as a host of wild creatures. Players

can win up to 180,000 coins, while the Multipliers and Free Spins give them additional chances of winning.

The Nordic God themed game, Thunderstruck II Video Slot, comes to Platinum Play Online Casino with a bang, as it out-thrills its 2003 predecessor with a 2 430 000 coin jackpot. There are 5 reels and 243 Ways, which promise to take this game to a new and improved levels.

With these three games being introduced just in time for summer, players can expect to have a sizzling and exciting one. For more details they can visit the Platinum Play Online Casino site, where they can choose exactly which casino games tickle their fancy.
