(May 12, 2009) Atlanta, GA - [Video Copy Services](#) (VCS), an Atlanta-based [CD duplication](#) and [DVD duplication](#) company is pleased to announce the launch of their new website, [video-copy.com](http://www.video-copy.com). VCS President George Helms says of the new site, "All of us here at VCS are delighted to have a website that gives our new and existing clients a way to plan, budget and execute their upcoming projects in a timely and easy to understand manner. The new quoting and upload tools have already proven to be very popular. We look forward to adding new information and tools that will inform and assist our clients as we add new services and technologies."

The new VCS website features the [VCS Instant Online Quote Tool](#), a simple and fast way for users to generate self-service quotes for [short-run CD duplication](#) and [DVD / Blu-ray duplication](#) jobs. Other new features on VCS include a browser-based uploading page that allows

users to submit digital assets electronically and a page that allows VCS clients to make secure online payments via credit card. And as always, video-copy.com offers in-depth information about all of their [CD duplication](#), [DVD duplication](#), [video encoding](#) and [video format conversion services](#).

About

VCS

Founded in 1984, VCS is a duplication company offering full HD capabilities and a broad range of audio and video services. Since 1997, their focus has been on providing [broadcast videotape duplication](#), [CD duplication](#) and [DVD duplication](#) services to the commercial, broadcast, business, religious, government and corporate sectors. VCS routinely produces quantities from one to one million copies, and they can work with a broader range of video formats than any [video duplication company](#) in the Southeast. An industry leader in [video encoding](#) and [video transcoding](#) services, VCS can support virtually any standard or high definition video format.

VCS is proud to have served as Turner Broadcasting's in-house provider of [DVD duplication](#), [DVD replication](#) and [video transfer services](#) since 2001. They are also a proud recipient of an A+ rating from the Better Business Bureau.
