New York, NY 11221 March 11, 2010 -- How would you like to have your rent paid for a year or your Cinderella wedding fully paid for? New Dating website company, Gotham Dating Partners Inc., will pay a full years rent or a Cinderella wedding for any couple that is a member for one year and has gotten married as a result of being on our website.

Gothamdatingpartners.com is the parent website of niche market dating sites like: Prisonhookup.com, wealthypeopledate.com, Uglypeopledate.com, whitepeopledate.com, multimillionairedate.com and faithfullover.com.

We realize that our goodwill can lead to potential fraud by some members. In an effort to curb the tide of misrepresentation, we ask that a marriage certificate be submitted to verify the consummation.
